

ADDENDUM 1

Town of Hillsborough River Pumping Station Relocation Project

1. Appendix A, Section H: Replace Florida Division of Emergency Management with North Carolina Department of Public Safety, Division of Emergency Management, Hazard Mitigation
2. Clarification on submittals: The town's preferred method of receiving submittals digitally is via a file-sharing site link. A USB drive does not have to be delivered to the annex as long as a valid, functional file-sharing link is provided.
3. One printed hard copy of the submittal is required.
